The share to be given to the founders from the profit of the company is shown in the 31st article.

ARTICLE 10 - BOARD OF DIRECTORS

Businesses and administration of the company is carried out by a Board of Directors consisting of minimum 5 maximum 7 members to be elected from the shareholders by the general meeting in accordance with Turkish Commercial Code and other relevant legislations.

ARTICLE 11- ORGANIZATION OF THE BOARD OF DIRECTORS AND THE COMMITTEES TO BE FORMED WITHIN

A) ORGANIZATION OF THE BOARD OF DIRECTORS

The Board of Directors is composed of executive and non-executive members. It is essential that the members of the Board of Directors are selected from among those who have basic knowledge on matters related to the management of the Company. Among the non-executive members of the board of directors, there are independent members who are able to perform their duties without being under any influence. About the number and qualifications of the independent members of the Board of Directors and structure and formation of the Board of Directors, Corporate Governance Principles of the Capital Markets Board are followed. The term of office of the members of the board of directors is determined by the general meeting as a minimum of 1 and a maximum of 3 years. They can be re-elected by nomination. If there is a vacancy in the membership of the board of directors due to reasons such as the resignation of one of the members, his inability to fulfill his duties or the loss of independence of the independent member of the board of directors, in order to perform duties until the first general meeting to be convened, the board of directors appoints a member to the vacant position in accordance with the provisions of the Turkish Commercial Code and the regulations of the Capital Markets Board and this appointment is submitted to the approval of the first general assembly.

B) COMMITTEES ESTABLISHED WITHIN THE BOARD OF DIRECTORS

Within the frame of the Corporate Management Principles and TCC, the Board of Directors forms the committees which must be formed, including early risk detection committee, in order to carry out its duties and responsibilities in a healthy way. The organization, fields of duty, working principles and members of these committees are determined by the Board of Directors and declared to the public, considering the Capital Markets Corporate Governance Principles and the principles set forth in the related legislation.

ARTICLE 12 – MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors convenes upon the call of the chairman or the vice chairman at times deemed necessary for the Company's business. Any member of the Board of Directors may also apply in writing to the chairman or the vice chairman and request that the Board of Directors be called for a meeting. The meeting agenda of the Board of Directors is determined by the Chairman of the Board of Directors. The agenda may be amended by the decision of the Board of Directors.

Pursuant to Article 390/4 of the Turkish Commercial Code, in the event that none of the members request a meeting, the Board of Directors resolutions may be adopted without a meeting by obtaining the written approval of the majority of the total number 4 of members, provided that the written proposal of one of the members in the form of a resolution is submitted to each member of the Board of Directors and no member requests a meeting for this proposal.

Those who have the right to attend the meetings of the Board of Directors of the Company may also attend these meetings electronically in accordance with Article 1527 of the Turkish Commercial Code. Pursuant to the provisions of the Communiqué on the Meetings to be held in Electronic Environment in Commercial Companies other than the General Assemblies of Joint Stock Companies, the Company can establish an Electronic Meeting System that will enable the right holders to participate and vote in these meetings electronically or can purchase services from the systems established for this purpose. In the meetings to be held, it is ensured that the right holders can exercise their rights specified in the relevant legislation within the framework specified in the provisions of the Communiqué through the system established pursuant to this provision of the articles of association or through the system to be provided with support services.

The meeting and decision quorums of the Board of Directors are subject to the provisions of the Turkish Commercial Code. The meeting place is the Company headquarters. However, the Board of Directors may convene at any other place provided that a resolution is adopted.

Members who do not attend the meeting cannot vote.

ARTICLE 13 - REPRESENTATION, ADMINISTRATION AND BINDING OF THE COMPANY

Without prejudice to Article 8 of this Articles of Association titled “Compliance with Corporate Governance Principles”, the duties and authorities of the board of directors are as follows.

The Board of Directors is responsible for carrying out the obligations delegated to it by the Turkish Commercial Code, Capital Markets Board, and other relevant legislation, the Articles of Association,

and the General Assembly's decisions on these issues. All acts and transactions that do not require the decision of the General Assembly according to both laws and regulations of this Articles of Association herein, are undertaken by The Board of Directors.

While the Board of Directors fulfills the duties and responsibilities assigned to it through both law and this articles of association herein, it can partially transfer those to company committees and / or company managers without ruling their own responsibilities out.

All documents that will be issued or contracts that will be signed by the Company are required to bear the signature of at least one or two individuals, who are authorized to bind the Company, placed under the official title of the Company, in order to be valid. Who can represent and bind the Company how is determined by a resolution of the board of directors. The Board of Directors, can give all of its authorization for representation and bind and management works within the scope of Turkish Commercial Code to one or multiple members with executive director attributive or to director or directors who are either sharer or not. In any case, at least one member of the Board of Directors must have the representation authority. Managers may be appointed for a term exceeding the term of office of the members of the board of directors.

The powers of the managers and whether they can individually or collectively bind the Company are determined by a resolution of the board of directors. Resolutions of the Board of Directors on this respect are registered and announced.

ARTICLE 14 - DISTRIBUTION OF DUTIES BETWEEN MEMBERS OF THE BOARD OF DIRECTORS

The Board of Directors elects a chairman and a vice chairman among its members each year. Without prejudice to the provisions of Article 13 of this Articles of Association, duties can be allocated according to the necessities of each job, and the Board of Directors may delegate all of its representation, administration and binding powers to the managers it will appoint. In any case, at least one member of the Board of Directors must have the representation authority.

ARTICLE 15 - REMUNERATION PRINCIPLES OF MEMBERS OF THE BOARD OF DIRECTORS AND SENIOR EXECUTIVES

The remuneration principles of both the members of the board of directors and the senior executives are determined by the general meeting, provided that the regulations of the Capital Markets Board regarding the Corporate Governance Principles and the principles in the Capital

Markets Legislation are complied with. The salary policy prepared for this purpose is also published on the Company's website.

ARTICLE 16 – AUDIT

The relevant articles of the Turkish Commercial Code and the capital market legislation are applied in the supervision of the company and other matters stipulated in the Turkish Commercial Code, capital market legislation and other legislation.

ARTICLE 17 - GENERAL MEETING

General Assemblies convene ordinarily or extraordinarily. The provisions of the Turkish Trade Law, the General Board internal regulation and the capital markets legislation are complied with in matters regarding the organization and execution of the General Board meetings.

ARTICLE 18 - MEETING PLACE

The General Assembly convenes at the Company's head office or at a convenient place in the city where the head office is located. The meeting place and time are determined by the Board of Directors taking into account the principles in the Capital Markets Corporate Management Principles and are clearly stated in the invitation letters and announcements within the same principles.

ARTICLE 19 - PRESENCE OF A REPRESENTATIVE IN THE MEETINGS

Under circumstances where the attendance of the related ministry representative is required at the ordinary or extraordinary general board meetings within the scope of the Turkish Trade Law and its sub-regulations, it is compulsory for the ministry representative to be present at the meeting and sign the meeting minutes together with the other individuals set forth in the legislation. Otherwise, the resolutions made at such general board meetings and minutes that do not bear the signature of the ministry representative are not valid.

ARTICLE 20 - MEETING QUORUM

The provisions of the Turkish Commercial Code and the Capital Markets legislation shall apply to the General Assembly meetings and the quorum in these meetings.

ARTICLE 21 - VOTING RIGHT AND METHOD OF VOTING

Shareholders or their proxies present at the general assembly meetings will have one vote for each share. The Turkish Commercial Code and the Capital Markets Board regulations are followed in votings of General Assembly meetings.

Participating in general meetings electronically: Right-holders who are entitled to attend the general board meetings of the Company may also attend these meetings in the electronic media, as per article 1527 of the Turkish Trade Law.

The company may either establish an electronic general meeting system which will enable sharers to participate meetings electronically, declare their opinions, make suggestions and vote or may buy a system that is set for this purpose according to provisions of the regulations on General Assemblies to be Made electronically in Joint Stock Companies. It is ensured that the right-holders and their representatives are able to exercise their rights set forth in the provisions of the referred Regulation through the established system as per this provision of the main charter in all general board meetings to be held.

ARTICLE 22 - APPOINTMENT OF PROXY

Within the framework of the Capital Markets Board regulations regarding voting by proxy in general assembly meetings, shareholders may have themselves represented by other shareholders or by a proxy they will appoint from outside. Proxies who are shareholders of the company are authorized to vote on behalf of the shareholders they represent, in addition to their own votes.

ARTICLE 23 - ANNOUNCEMENTS

Announcements of the company are made in the newspaper shown in paragraph 4 of Article 35 of the Turkish Commercial Code and on the Company's website within the legal time limit, without prejudice to the provisions of the Capital Markets Board Communiqués.

The announcement of the General Assembly meeting is made at least three weeks before the date of the general assembly meeting by all kinds of communication means, including electronic communication, that will ensure reaching as many shareholders as possible in addition to the procedures stipulated by the legislation. On the company website, with the announcement of general assembly meeting, besides notices and explanations that should be done due to company's legislation, issues designated according to Capital Market Board Corporate Governance Principles are announced to sharers.

ARTICLE 24 - AMENDMENT OF ARTICLES OF ASSOCIATION

The perfection and implementation of all the amendments to be made in this Articles of Association are subject to the permission of the Capital Markets Board and the relevant Ministry.

The amendments in this matter are valid from the date of announcement after being duly authorized and registered in trade registry.

ARTICLE 25 - ISSUANCE OF BONDS

The Company's Board of Directors is authorized to issue capital markets instruments qualifying as debt instruments for an indefinite term, within the scope of article 31 of the Capital Markets Law.

ARTICLE 26 - ANNUAL ACCOUNTS

The accounting period of the Company starts on the first day of January and ends on the last day of December. The company prepares its financial statements in accordance with the Turkish Commercial Code and Capital Markets Board regulations and announces them to the public.

ARTICLE 27- DETERMINATION AND DISTRIBUTION OF THE PROFIT

The amount that remains after deducting the overhead expenses and the amounts that are required to be paid or reserved by the Company such as various depreciation, and taxes that are compulsory to be paid by the company's legal entity from the revenues of the Company determined at the end of the fiscal term, and the net profit stipulated in the annual balance is distributed as explained below, after deducting the losses of the previous year, if any:

Primary Reserve:

- a- In accordance with Article 519 of the Turkish Commercial Code, 5% of the legal reserves are set aside.

First Dividend:

- b- From the remainder, the first dividend is allocated at the rates and amounts determined by the Capital Markets Board over the amount to be found by adding the donation amount made during the year, if any.
- c- 5% of the remaining profit is reserved for the owners of the founder's shares.
- d- After the deductions specified above are made, the general meeting has the right to decide on the distribution of the dividend to the members of the board of directors, civil servants, employees and workers, excluding the independent members of the board of directors.

Second Dividend:

- e- After the amounts specified in (a), (b), (c) and (d) paragraphs from the net profit, the general meeting is authorized to distribute the remaining amount as second dividend or allocate as voluntary reserve.

Secondary Reserve:

- f- One tenth of the amount calculated by deducting the dividend paid to the shareholders in 5% of the amount paid to the shareholders and other individuals participating in the profit is allocated as secondary dividend as per sub-paragraph c of paragraph 2 of article 519 of TCC.

Unless the legal reserves which must be allocated with statutory provision, unless the first dividend determined for the shareholders in the articles of association is distributed in cash and/or in the form of shares; it can't decide to allocate other reserves, transfer profits to the next year and participate in dividend distribution, to distribute dividends from the profits to the founders and common stockholders, to the members of the company's board of directors excluding the independent members of the board of directors, to civil servants, employees and workers.

Dividends related to the shares are distributed to all existing shares as of the end of the accounting period, regardless of their issue and acquisition dates, without applying the per diem basis.

ARTICLE 28 - PROFIT DISTRIBUTION DATE

The date and manner of giving the annual profit to the shareholders is decided by the general assembly upon the proposal of the board of directors within the framework of the provisions of the Capital Markets Board Communiqués. Profits distributed pursuant to this Articles of Association cannot be recovered.

ARTICLE 29 - RESERVE FUND ALLOCATED BY THE COMPANY

The reserve fund allocated by the company is reserved up to 20% of the company's capital. The provision of article 521 of the Turkish Commercial Code is reserved. If the reserve fund decreases for any reason from 20% of the company's capital, it continues to be allocated again until this amount is reached. As long as the reserve fund doesn't exceed the half of the main capital, it can only be spent to clear damages, when works are not prospering, for maintenance of the organization, for preventing unemployment or taking precautions that will ease its results.

ARTICLE 30 - LEGAL PROVISIONS

The Turkish Commercial Code and the Capital Markets Legislation shall apply to matters that are not included in this Articles of Association.
